

AMENDMENTS TO THE DRAWINGS

Figures 3 and 4 labeled "PRIOR ART".

Attachment: 1 Replacement Sheet

REMARKS

By way of this amendment, Applicant submits herewith corrected drawings in which Figures 3 and 4 have been labeled "PRIOR ART", as requested by the Examiner.

With respect to the Information Disclosure Statements filed on December 20, 2004, attached herewith is form PTO SB/08 A & B, again listing the references, which were previously cited in the Information Disclosure Statement filed on April 2, 2004. Please note that the references listed from the search report originally dated December 20, 2004, are the same references as those on April 2, 2004, therefore no additional SB/08 A & B was previously provided.

It is noted with appreciation that the Examiner has indicated that dependent claim 5 contains allowable subject matter. Therefore, to place the application in condition for allowance, and without prejudice, Applicant has amended independent claim 3 to include the limitation of claim 5, which has correspondingly been cancelled along with claims 1, 2, and withdrawn claims 6-14.

Based on the foregoing, it is respectfully submitted that the application is in condition for allowance. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
